

## Electric Machines & Drives

**Homework #4:** Chapter 14 & Chapter 15

**Due:** 09/26/11

Chapter 14 of text book - Questions

Problems 14-18, 14-19, 14-30

The homework is our practical application learning tool and peer review and feedback is strongly encouraged. I strongly encourage students to review their homework with other students and to provide me with early copy so I can review and provide feedback well before due date. Homework submitted before due date can be re-submitted for better grade as long as re-submit is by due date. Once due date passes, no homework submittals or re-submittals will be accepted. **Homework must be submitted by midnight of the due date to received credit.**

Late homework submittals will receive no credit. Worked solutions will be posted on course website the day after the homework due date.
